“ *"Mary, Tammie, Donny and family,  
My heart goes out to all of you, your in my thoughts and prayers.  
Barb was always smiling and kind and like another mom to me  
growing up. She will be greatly missed. There has been so many  
events that she was a part of and always had taken the time to ask,  
how are you doing? what's been going on? Then she would always  
answer all of my questions of how you all were, and how proud she  
was of every little event. She loved to boast about you and I always  
enjoyed catching up with her.  
Take care of each other, she would want that more than anything  
else."*
