Brenda Lea Carson was born on March 21st 1958 in Omaha, NE. She resided with her parents Rollie and Louise Bowser, and her siblings, Jeff and Gary in Fort Calhoun, NE.

In 1987, Brenda married the love of her life Steve Carson in Elk City, SD.

Soon after marriage they bought their forever home, a farm in Orum, NE. Here they had years of fun and memories tending to their farm.

During their years together their favorite time spent together was their horse trail riding, especially in Colorado and South Dakota. They went on countless trips doing what they loved filled with nature, family, friends, and laughs.

Anyone who knew Brenda knew the love she had for her family, outdoors, and wildlife. Where you could find Brenda you would find her caring for any animal she could find (especially her cats as those of you know), caring for her farm,

or spending cherished time with family. She loved to share her time with Steve, Cindy, and Cindy's four children.

Her warmth and caring demeanor will be dearly missed. Though she is no longer with those she loved in physical form, nobody can ever forget the woman she was. Most remembered is her warm, welcoming smile, her charisma, her contagious laugh, and her witty humor.

Brenda's family thanks you graciously for sharing your love and celebration of a life well lived.
