“ My condolences to Cheryl's family. I had the pleasure of working with Cheryl at OPS. She was extremely knowledgeable and knew her job well. However, one of the things I loved most about her was her laugh. You could tell she truly enjoyed life and the people she interacted with on a daily basis.

“ We have many memories our families getting together for dinners, New Years Eve parties, Trick-Or-Treating, and most of all, vacations in Minnesota--fun times for all!!!

“ Sending our prayers and love to Rod, Russ, Rob, Sherry and family and friends. When we lose someone we love their memory becomes a treasure. Treasure the memories...I loved coming to the farm on Sundays. Karleen, Grandma and Lizzy would be cooking up a feast. At the dinner table everyone would be talking and laughing and Cheryl would be rubbing their hands back and forth in pure enjoyment. I am picturing Grandma, Lizzy, Walt, Karleen. Cal, Cheryl and Rhonda setting around that table with laughter and love, in heaven now, in the light of our Lord. . Our love and hugs to you all. Jennifer and John Scott

“ *My deepest sympathies to all of the family. I worked with Cheryl during all of her years at OPS. Everyone always commented on her laugh...she was always laughing..everything got a giggle out of her. In other words she was never down. Always a pleasure to work with. Loved her flower sale too. She was good at what she did. I know she had been ill for awhile so glad she is now at peace.*

“ *Aunt Cheryl was always laughing and if the joke was really good, she would slap her hands together and rub them up and down, then she would laugh and laugh. Without her help, some of my typed homework from college and high school would have never been completed. Her hands flew on the keyboard. I remember once I had worked on a paper for over an hour trying to get it typed up. She took the paper, put it in the typewriter and her fingers flew, a minute later she was done. I thought "WOW !" Cheryl said "Is that all ? and smiled and laughed. I will always remember Sunday dinners at the farm. Putting up corn and tomatoes, in the summer and your great love for Strawberries. I love and miss you aunt Cheryl.*
