“I knew Dan when we called him Danny. And as adults, knowing him as Dan has been my priviledge. Not sure everyone saw in him what I did: a kind, intelligent, thoughtful, thought-provoking, unique, special individual, who believed in and behaved with dignity, kindness, humility, and humor, and valued the individuality of every person. Every time we talked, he blew me away with that humor and intelligence. I always felt humbled after talking to him, because he really understood the essence and truth of so much. To the Dale Family, and especially his kids: Be proud of Dan. I am proud and honored to have known him.”

“So hard to know what to say. I just keep hearing Dan say "So what do you hear from Midland?" He loved talking about you kids (and hearing about mine.) You all were so important to him. I feel blessed to have known him. Thinking about and praying for you all. Love,”

“Our thoughts and prayers are with all if Dan's family and friends. We will miss our early morning weekend talks at the Conoco on our way to softball tournaments! Dan always asked which one we were headed to and wished us luck. Dan touched so many people and always with a smile :). He will truly be missed.”
