“ I had a good visit with Gene the year we went to Washington, DC on the Honor Flight. Bob Petersen and K Fink were also in the group. It was a long and cold and wet day, but we all enjoyed seeing the sights of DC. We looked for deer in the woods as we rode the bus into DC, talked about farming and his life in the Army during the Korean Conflict in 1952. We later figured out we had a police escort into DC because we could run all the red lights. I am sure the family will all miss his smile and love. My sympathy to you all.
