“ *We were so sorry to hear of Jim's passing. We have know Jim since 1985, and have shared many good times and have many memories. He was always wanting to show you a good time and shared many of the times with our children. He will be greatly missed. My husband stopped to see him last Oct. when we were at a wedding in town. I am so glad that we got to visit with him and share some stories. Gods Blessings to all of his family.*”
