“So sorry to hear this sad news. Janet was very special to us as she baby sat for Rich when we moved to Omaha in the 70's. I will remember her laughing! She always had a smile when we saw her! Sending sympathy to family.”

“Jan was know by the OPS ESL teachers for the wonderful class books she made with her students. She would make many throughout the year, with each student contributing a page (usually modeled after a well-known book, like "Brown Bear, Brown Bear, What do you see?"). She presented many times at the ESL Fall Conference. I will always remember her enthusiasm and love for her ESL students. She was always a joy to be with. I send my sincere sympathy to all the family. My mom died young, like Jan. I urge Codi, DJ, and Kayla to keep in contact with her friends, as they will be a great source of comfort as surrogate moms! May God comfort you all and may your happy memories soon replace the sad ones.”

“I had so much fun staying with Janet when we were children. We always did 'art projects' and no matter how hard I tried, hers were always better than mine, lol. Will cherish those memories of her and her family forever.”

“Sending my deepest sympathy to Janet's family. She was such an asset to her profession, a wonderful supporting parent and had a smile for everyone she met. It was a joy getting to know her when Kayla was in my class and Janet was a room mother. My thoughts and prayers are with the entire Drieling family.”

“What an amazing soul. I always loved visiting with Jan. I still remember her cheering on DJ out at the throwing rings and in the stands with Miss Kayla armed with a book. Great lady - what a legacy she leaves behind....”
