“ *Janie and family,
John will surely be missed by all of you and the rest of his 'family' from everywhere. Just remember all the laughs you had. He was also a true gentleman, just as Ed was. They shared a few moments together on the ball diamond and elsewhere. Just keep those memories close and talk about them so they don't get forgotten. Just know that i know exactly how you feel and what is going to happen with those feelings. Very precious!!!! i will keep you all in my prayers.

“ *I'll miss seeing John from time-to-time at the local Hyvee Gas station. Seemed that I would run into him once a month there picking up odds/ends. He always had something positive to say...always asking how everyone was doing. He was a good man and raised an amazing family.*

“ *My 20 minute friend*

I've known John for only about 4 years. I wish it was more. I got to see John during the school year every morning for about 15 to 20 minutes. Sometimes we ran into each other mid morning between routes for maybe 20 minutes.

He always made me laugh. Somebody would say something that deserved a witty reply and John was always on top of it. Sometimes someone would say something and John would look at me and we'd laugh as if to say "are you going to get this one or am I".

When I first met John I thought he was the strong silent type. And I guess he was in many ways. But through many 20 minute discussions I found out he was very caring about others and was always willing to help me as a rookie driver.

I'm not sure if you can call someone that you have never spent more than 20 minutes with - a good friend. But the way I feel today reinforces that he definitely was. I wish I could have spent more time outside of work with John. We would have had a blast! My loss.

Thank you for sharing this! John was our friend for over 40 years but this is how he treated everyone. Weather he knew you for a day or a decade, he truly wanted to know how you were doing, what you were doing and if he could help! Johns humor lit up a room and his children have that same wit! I hope you will always remember him with a smile
