“ *I am so sorry to hear this. To think I handed him the hoodies before Christmas not knowing I would never see him again. He was great guy in so many ways. Totally my pleasure knowing him and you. Thoughts and prayers to you and the family. Bear*

“ *Char we are so sorry for your loss. John was a very dear friend and brother. I will always cherish the times we had and the memories of the things we did. Out of all the people that knew him I'm proud to say that I've known him longer than anyone except family. He always joked when he introduced me to people about our start of friendship as toddlers trading diapers...LOL. I will miss him, but I have him in my heart.*

God Bless
