“ *Mr. Morrison was one of the best martial arts instructors I ever had. He really motivated the students to keep trying their best and he was very kind. I will for sure miss him.*

“ *John will be remembered for his sense of humor and smile. He loved of his two horses and gardening. He was great in the kitchen, making his own salsa and herbs from his garden. I will always remember John when my daughter and I were at his place and he had a weighted hula hoop. John and my daughter were great at it. Me, not so much. Oh how John teased me in good fun. John Was a warrior and fought his battle until he could fight no more. Rest In Peace John!* 🐎🐎🍅🥕🍅🌶️
