“On Tuesday of this week, I was discussing bread making with my employee and was recalling Saturday mornings at the O’Keefe house on N Post Rd....there was more home made bread than a person could hope for. I remember the smell and taste and it was obvious that your mom was definitely in her element baking bread. Little did I know she would leave this world that same day. My heartfelt sympathy goes out to the entire family. Your home was my "home away from home" and I will always remember your family with great fondness. May God surround you all with love and peace at this most difficult time.”
