“ *I don't think Larry ever met a stranger, he loved to help people anyway he could. From the time Janice first brought him home to meet mom and dad he was part of our family. He just fit. He will be very much missed. He and his siblings are on the way to the fishing hole right now. Rest In peace Larry your work is done.*

“ Larry was a wonderful man inside and out. He would help anyone anyway he could. I remember going to his house for family reunions and he would always give us kids a hard time by joking with us and tickling us. I will always remember going over there and him sitting in his recliner watching wrestling. He loved his wrestling. Even though I didn't get to see him much as I grew up, he still was the best uncle anyone could ask for. Love you always uncle Larry. May you rest in peace. My thoughts and prayers to the family.  
Love you, Cheri

“ I will really miss my favorite cousin, Larry. I remember so many good times when Larry was a young man (even though he was 10 years older). He went on vacation to Minnesota with my mom and dad (his aunt & uncle) frequently and after Larry's dad passed, my dad kind of stepped up. Larry was always respectful, kind and considerate. He had a great sense of humor and never spoke badly of anyone. When my parents got older, Larry took time to stop to visit and help them whenever he could. What a guy! Love you!

“ Larry was always a kind man and he'd help you in any way he could. We have loved him so much as he was more than a part of the family. I liked him from the time I first met him. He is an icon and always will be. Living or gone forever he will be in our hearts always.. He was more like a brother than a brother-in-law and I loved coming into there house and seeing him smiling. It really made my day. We will miss him so much. Prayers to the family forever as we will never ever forget him.

Love always
