“ *I am so sorry to hear of Butch's passing We both went to country grade school at District One. He was my first boyfriend; I was seven and he was nine. He gave me two rings (from CrackerJack boxes, I would guess). My sister Judy's description of Butch was a good one.*  
*In high school, I considered Butch a good friend; I think he was liked by everyone.*  
*I also remember him boxing, as his brothers did, in the Golden Gloves. The only live boxing match I ever saw was with my dad, in Ewing, watching Butch in a match with another guy. Too realistic for me!*  
*My sympathy to the family. How sad to lose your dad, especially during the holiday season.*

“ Sincere Sympathy to the Pofahl family: I grew up in Wheeler County & went to grade school & high school with the Pofahl boys. Carol was my country school teacher. Butch was always the fun loving, kind of ornery, gettin' in trouble kid at school during recess! We had lots of escapades with him around! He was so skinny he would take a stick & twist it around the two front belt loops of his jeans to hold them up! When I think of Butch, that's the first thought I have! Rest in Peace, Butch....

“ Pofahl family. We are so sorry to read of Butch's passing. He and Judy were friends when they lived in Wheeler Co. and several of their children went to Wheeler Central with our children. He will be missed.
