“ Aunt Linda you will be missed so much! Have quite a few special memories of doing fun things with you. You taking my sister, brother and I to the movies when we were little and helping us learn to ice skate on the farm pond. Your niece Kathy Fead-Egr.

*I went to high school with her and even went to 50th class reunion with her. I spent many times at the farm with her. The weekends we always got together. She was a great friend. What happened to her?*
