“ On behalf of the Ponca Dental Clinic we send our deepest condolences to Mark's family and friends. We want you to know that over these last ten years he introduced us to you! He talked about wanting to see his Mom after getting vaccinated. His kids! Patty along with her mom Mary. Virginia he would tell me every time he saw you. Mark was so good to us and our patients in the dental clinic! They was no one like Mark!

“ I worked with Mark for many years. He was a co-worker but more importantly a friend. He had a great sense of humor and a heart of gold and will be miss deeply. It's still hard to believe that I won't be seeing him walking down the hallways. Please accept my most deepest sympathies and condolences.

“ Dear Wilderman family,

*I am deeply saddened to learn of Mark's passing. I know that he was precious and dear to all of you.*

*Son, brother, husband, father, grandfather, best friend.*

*I pray that the memories of happy times and cherished moments will carry you all the days of your lives.*

*Had it not been for Mark coming into my restaurant I would have never reconnected with the kids that I had grown up with and lost track of so many years ago. It was a chance and fluke moment in time but no doubt a gift from God to reconnect.*

*Playing freeze tag with the kids in the neighborhood, riding bikes, throwing frisbees, Dodge Ball.*

*My heart is heavy and sad for all of you. My God hold you in the palm of His hand and comfort you all.*

*With much love,*

*Carolyn J Folsom*
