“ Sending love and prayers to my family for strength and support in the difficult days ahead. Aunty Sugar will always hold a special place in my heart and memories. She was the glue that held our family together. Now the torch has been passed. May we all remember her contagious energy and her gentle spirit. I miss you Aunty. I miss our visits on the phone, our fits of laughter when we shared a particularly humorous memory or experience. Say “hello” to everyone for me, Aunty, especially my Gene. Til we meet again.
