“*Cousin Blair and Susan, I am sadden to hear about the loss of Max. I remember clear as day, he had some dancing skills at age 5 (?), I believe that was how old he was at your wedding. I didn't get a chance to see much of his growing up, time and distance got in the way but he looks like an amazing son, father, and friend. Hugs in the days to come. Love ya! “ *Max was the sweetest and we are heartbroken that you have to continue this journey without him for a time. He was so kind and thoughtful to everyone and held a special place in our hearts and those of each of my 5 children. They each shared something special he had done for them to brighten their worlds. We will miss his smile and laughter but will do our best to share the kindness and love that he showed to us with others.* ❤️
