*Linda & family: Mike was dearly loved member of the Ft. Calhoun community whether when helping someone at the hardware store finding something impossible for a "fix it" or making a drink at the Cafe. I remember before my father died one of his favorite places to eat dinner was the Cafe not only for the food but to enjoy his visit to Mike. Will miss you Mr. HARDWARE.... Gregory Barry*

*I probably have known Mike longer than any one in FtCalhoun as I babysat Mike when he was around five years old. Mike and his family were neighbors of ours on north 40th ave in omaha. Later years I bowled with parents Buck and Louis. I always was pleased to see the fine adult he turned out to be MISS YOU Mike. Larry Duros*
