“ *I haven't really, but it seems like I've known Milo my whole life. He was a wonderful person. I was just 9 when they married and spent many happy times down at the "Island". I remember when my cousin Jerry got on Milo's Ferguson tractor, started it up and took off, he hit the outhouse, knocked it over, fortunately, it had a wide front end and straddled the hole. Boy, a bunch of guys sure did move. It wasn't funny at the time, but years later, it is.*

“ Milo was such a gentle caring person. He was a friend to everyone who knew him. We were so blessed to have him as our cousin. Having the wonderful opportunity of growing up with him in our lives was a great thing. Through the years we had so many fun times together especially when Bev and him lived on the "Island" East of Ft. Calhoun. He had a way of making everything fun. You will be greatly missed and thanks for the memories Milo. You raised a wonderful family. A job well done. Rest in Peace now. We love you.
