“ *"To all of her family
I had shared many years with Sandy Kay as I was growing up. We both shared a huge love/compassion for animals, especially horses. There was not a sweeter loving person than her. She always had a heart felt smile on her face, such a positive person she was. I am so sorry she was taken from everyone that she loved dearly. I'm more than sure you have tons of incredible memories to always think back on. I know she was a huge part of all of your lives, thats such a wonderful thing. I truly mean that. Wishing you all lots of love to be able to move forward one day at a time. Love, Toni"*

“*Sandy, you were always the sweetest and kindest soul even when Erin and I were out raising cain together in High School. You just took me in like one of your own. I remember when you were going back to nursing school and I already knew that is what I wanted to do. You left a mark that remains still. You and the entire Hobson family are in my thoughts and prayers. With deepest sympathy,*”
