“ Sandy saw so much beauty in the world and made simple things magical. She laughed with me as we watched old movies and gushed over the fancy dresses. She took me berry picking through the countryside to make pies for the family. She loved canning, gardening, painting, baking, literature, and telling stories. As I reflect on our time together, I'm realizing how much she shaped me with all that she poured into me. How blessed I am to have had her in my life and I will always hold her love in my heart. I am comforted with certainty that she is in heaven with her family and God.

“ My dear sister Sandy, we had many great times over the years that will always be in my thoughts and heart. I'm so thankful for our friendship as brother and sister.

Being the youngest brother I didn't know much about our grandparents, uncles, aunts and some of the older cousins as most of them passed before my time. Sandy would tell me about her memories of growing up with my older brothers Tom, Skip, Mike John and her time spent with the grandparents and the elders family members. Those stories are a very special blessing to me.

Sandy had a strong faith in God and would giving me advice about life and our catholic faith.

She always had an unconditional love for everyone in the family that only a sister / daughter could give. This was one of her best qualities that I will always cherish.

Rest in peace with the Lord my dear sister.

“ Sandy, my dearest sister. We talked every week on the phone. I was so happy to be at her 80th birthday party. After the party she and I sat in her room and she said over and over "Can you believe I made it to 80!" Sandy, please dance with Mom and Dad in Heaven. Hug John, skip, Tom and Rick.
