“ Although I did not know Fr. Stephen I was horrified to read of his tragic death. Perhaps what drew my attention was the name of his church which is the very same as our local Catholic Church. A similar incident happened many years ago (which impacted my family) in Connecticut. My heart goes out to all of you. Please remember the words of our Lord " Blessed are they that mourn for they shall be comforted." May the Lord's peace and presence be with you now.
