“ Prayers and hugs to Corrine, Ryan and their families. I met vern and Joan through their daughter Corrine, who was my best friend growing up. Vern was a man of God and very kind, thoughtful and inclusive. They always made me feel at home. He had a very distinctive voice that was easy to listen to. I know he will be missed by many.

“ Vern was a person who always had a smile on his lips, a twinkle in his eye, and a warm and generous laugh in his voice. He was warm and welcoming to all who knew him. The question remains, why does one with these attributes have to undergo such testing and pain while on this earth? In visiting with Vern, his outlook was always positive and always focused on God. So why the pain and testing on this child of God? Why the suffering and the trials of this earth? I believe that Vern knew that these suffering, when offered up to Our God had a very positive effect on his eternal soul. I can't help but think that people who suffer near the end of their live have a faster track to heaven. I believe that suffering on earth offered up and thus united with Our Lord Jesus Christ will lessen his time in Purgatory.

It was an honor for me to be with him and Ryan and his family a short time before Vern went to his true home in heaven. As I was praying with Ryan and the family, I looked at Vern, his eyes wide open focused on an object on the wall at the left side of his bed, the crucifix of Our Lord Jesus. As we prayed, his eyes never left this location on the wall. His eyes were transfixed on Jesus. It wasn't until later that I came to understand. Vern was looking into heaven, as we were praying.

I was an honor for me to with Vern and pray with his family before he joined his wife Joan for eternity.

Vern's life has taught me a lesson, no matter what I am confronted with, I must keep my eyes on Jesus, He is the Way, the Truth, and the Life. We celebrate the Life of Vern and we know where he is, we, one day long to be. We ask Vern to pray for us as we journey through this life on earth

Eternal rest grant to him oh Lord and may perpetual light shine upon him.

May the God of hope and consolation bless the Sevcik families.

“ Vern was a wonderful friend. We sang in the choir together and had a running deal that he would fit in as much harmony as he could, even if it wasn't written in the song. After Mass we would share a smile and hug. He always knew that his harmony made my day. I will miss him dearly but I know he is happy with Joan and our father in heaven. I know he and Joan will be singing with all the choirs of angels in heaven! Love, from Marilyn Cerio

“ *I had the pleasure of working with Vern at Cargill-Nutrena Feed in Kansas City. He was so kind and fun to work with. He always made sure that he came by and said hi to all the girls in the office when he was in town. Vern was so thoughtful with his customers and professional at all times. I could listen to him tell stories all day long. I'm thankful to have known him and hi gotten the chance to know such a wonderful man. My prayers for your hearts.*

“ I was privileged to work with Vern for over 30 years. Vern was a respected valued team member. Vern’s priorities of faith, family, and helping others were experienced by those where he spent his time. Vern was a highly talented Animal Nutrition Consultant working with livestock operations and animal feed dealers across many states over the years. He was valued for his ability to solve problems, improve production and performance with Dairy, Swine, and Cattle operations. Vern was fully engaged in all areas of his life. Most customers and teammates that worked with Vern knew him well, because his work always involved understanding the details and understanding the details takes time. I wanted to acknowledge a great man who lived life to the fullest. Fabulous great memories of time spent with Vern and Joan!

“ To Vern’s family: I am so very sorry to hear about Vern. I sang in the St. James choir in Liberty with him and Joan. Joan and I sat together and always had such a good time. Vern would tease us that he needed to separate us. He was such a gentle soul, so kind and had a good sense of humor. I missed them both so much when they moved. I know he is with his beloved Joan and at peace. May your memories of all your happy times with Vern give you comfort and consolation and may he rest in peace.

I had the opportunity to work with Vern for a number of years and I always admired Vern's professionalism. Vern's values and character coupled with his passion for his customers' well being was always evident. He eagerly embraced new technologies and tools to make himself and his customers better. Vern was very proud of his family and you always knew that they came first.

Our prayers are with his family.

Vern was my classmate in grade school at Immaculate Conception Catholic School in Lonsdale, MN. I lost touch with him after we graduated in 1967. But in recent years, our class has started to get together twice a year and we always ask about Vern. We will miss him, but know that he is in the hands of Our Heavenly Father. I will offer a Mass for Vern in the coming days.
