“ *Uncle Victor always had a great sense of humor, and he was telling dad jokes way before dad jokes even existed. I will never forget the celebrations he hosted at his house while growing up and I have fond memories with family which he made possible. From playing volleyball in the yard to playing card on the screened in porch. From the new crop of feral kittens every year to him letting us turn the basement into a huge hide-n-seek game, these memories I will always cherish. You were a funcel (fun uncle) and will be missed.*

“ *Uncle Victor was always telling jokes, and wanted people to laugh and be happy. He was also generous, letting some of his nieces and nephews spend some of our Christmas vacation time at his place, to allow us to be with our cousins, his daughters. I'll never forget when he said "we need to be more kind and generous to everyone!" Rest in Peace, Uncle Victor!*
